

Trinity Memorial Church

Time and Talent Pledge Form

September 27, 2009

*“Brothers and Sisters in Christ Jesus,
we are all baptized by the one spirit into one Body,
and given gifts for a variety of ministries for the common good.”
(From the Book of Common Prayer.)*

This year, the Stewardship Steering Committee seeks pledges of *time and talent*, in addition to treasure. Many hours of volunteer service are and always have been given by our members. The Vestry, Wardens and Interim Rector are sincerely grateful for this service. This survey comes from our conviction that we should invite all members into time and talent service. In addition to providing needed assistance to the church, serving on a committee or activity is one of the best ways for us to get to know each other better.

Please check the items which are of interest to you and for which you are willing to serve. The form should then be returned to the Trinity office, placed in the offering plate on Sunday morning, or left in the drop box marked “Time and Talent Pledges” in the Hoyt room.

You may call the chair persons or staff members listed after the activity for more information concerning volunteer service.
